About Your Hosts

Michael Berkowitz is a columnist for the ACBL Bulletin as well as a teacher for Bridge with Larry Cohen. He frequently shares stories about his life in and around the bridge world. These stories also serve to help break down complicated concepts into helpful tips. He is one of the upcoming stars of the teaching world.

Robert Todd teaches in person and online, plays with students from club games to world championships, hosts cruises and destination seminars, and writes for various publications. Robert has twice finished in the top 20 of the Barry Crane list. Alice Travel's bridge cruisers enjoy Robert's spot-on teaching style and his enthusiasm for the game.
