## **ALL ABOUT KNOCKOUT TEAMS**

Knockout teams begin tonight. A team consists of four people (see the partnership desk for teammates) and is scored using IMP scoring.

Imp scoring relies on TOTAL POINTS, so it's important to get game bonuses. Overtricks are less important and as defenders you look to defeat contracts without worrying about giving up an extra trick. Winning teams in the knockout keep playing until there is a champion (up to 3 Nights).

Many of the most prestigious events in bridge are Knockout Team events, and the format is fun for all levels. See if you can knock out the opponents!
