What students are saying:

*"I just purchased and watched Third-Hand Play! I loved it! Please put me on your list for all future DVD's. I found it much more engaging than any book. Thanks!" - Roger F.*

*"Larry's videos are like sitting in a class. He explains things so well and in such a relaxed manner. He also has a wonderful sense of humor so the concept works very well for me. Please, please, please keep them coming! Started watching them while working out (the news was too depressing ) and I have been learning tons! Larry you are an AMAZING teacher! More please!" - Karen D.*

*"I just finished Larry's first DVD on Defense-Signals. I loved it!!! It's just what I needed to fill in the gaps. Don't sell them to anyone else!" - Patti M.*

*"Just made my first DVD purchase on defense signals. Very exciting. Maybe if my partner hears it in Larry's words, he will start paying attention to my discards, finally!!!" - Karen W.*
