Larry's eLessons!

September 5, 2018 Vol. 13 Issue #18

Dear Bridge Enthusiasts,

Every summer I think "Oh, boy this is the summer Larry will take off. He'll just play golf, hike, read, and spend time with his wonderful Eugenia." And although he always has time for Eugenia, he once again worked. Work that he loves of course. He has written 11 new and insightful lessons for his seminars. With titles like: Interpreting Partner's 3rd-Hand Play, Combining Your Chances, Danger Hand-Safe Hand, and Trick 1 Deal/Counter-deal, no bridge enthusiast can possibly resist going to his shows. As always the lessons are heavy on logic and light on memorization.

Oh, and he also wrote a book...*Tricks of the Trade*. He truly inspires me. -Dawn Ligon, Marketing

This book was written for advanced to expert level. To purchase your copy or learn more, just click the button below.

Larry's Articles - 1 Million Deals!

If you like stats, you'll like this series. Larry's friends analyzed 1 million deals. Last issue we looked at the most successful opening bid...this issue we wonder:

What is the percentage likelihood of the final contract being Notrump, Spades, Hearts, Diamonds, Clubs, or the dreaded pass-out?
