Larry's eLessons!

March 27, 2019 Vol. 14 Issue #7

Dear Bridge Enthusiasts,

Larry and David Bird just released a new book, *On The Other Hand!* We think you'll love it. 100 pairs of deals are shown — one described by David and the other by Larry. The deals look similar (in some cases very similar) but an entirely different line of play is necessary to make each of the contracts. Only by clearly understanding the techniques involved will you be able to tackle such deals when you encounter them at the table.

The quiz below contains examples of what you can expect from the book. Enjoy.
