ABTA BOOK OF THE YEAR WINNER!

Larry Cohen and co-author David Bird received the American Bridge Teacher's Association award for intermediate book of the year. The award was given out at the ABTA conference in Las Vegas. In this unusual book, David Bird and Larry Cohen combine to present cardplay instruction in a new way. 100 pairs of deals are shown — one described by David and the other by Larry. The deals look similar (in some cases very similar) but an entirely different line of play is necessary to make each of the contracts. Only by clearly understanding the techniques involved will you be able to tackle such deals when you encounter them at the table.
