Larry's eLessons!

October 10, 2019 Vol. 14 Issue #21

When Larry founded Bridge with Larry Cohen, it was a one-man operation. He's since been excited to grow the business with the help of his wife and business partner Eugenia. Now he's excited to preside over an enterprise that includes Director of Marketing Dawn Ligon and teacher/writer Michael Berkowitz.

The increased staff allows Larry time to take on more tasks. You can take advantage of Larry's writing for the Common Game and his analysis for the upcoming Instant Matchpoint Game.

Additionally, you can now have Michael Berkowitz come and, using the materials and expertise Larry has perfected over his career, deliver informative and fun bridge seminars at your local club. Please reach out to Michael at michael@larryco.com for information on how to book him.

You can also see him speak at the [Duncan Bridge Center](#) in Palm Desert on November 5th and 6th (contact [Michael](#) for more details).
