NEW! BMS Bridge Byte: Rule of 7 says Hold Up Twice. Do you?

Duplicate Game Following Webinar with postmortem

Sorry no postmortem Jun 10 & 17 as Michael is on vacation.

By now, the great majority of players have sensibly switched to the far superior (and much easier) method of 2/1 GF responses. If used correctly, playing Two-over-one game-forcing greatly improves game and slam bidding.

In this series starting in June, Larry and Marty will bid (each taking one hand for the partnership) and explain their thoughts as they conduct a logical, practical auction. They will begin with two weeks of sensible 2/1 GF auctions. Then in July, they will focus on the crucial but much-misunderstood auctions that should occur (but often do NOT) after a 1NT response to a major.
