Larry's eLessons!

Apr 26, 2022 Vol. 17 Issue #9

Big news! Larry is getting inducted into the ACBL Hall of Fame this summer! He missed being inducted in 2020 due to the pandemic but it's happening now. Tickets go on sale May 2nd. If you're an ACBL member, you should get an email that day. Another option is finding the link on the Events page of the [Providence NABC website](http://ProvidenceNABC.com). I don't see an Events option yet, but I expect it to be there on or before May 2nd. The event will take place Thursday evening, July 14, 2022. If you're going to be at the Nationals in Providence, think about getting tickets to this exciting evening honoring Larry!

BMS Bridge Byte: What is a Reverse?

Reverses are one of the most difficult concepts in bridge. Recognizing a reverse is important so that you can show strong hands on purpose rather than by accident. If you get confused, see if this explanation from Larry helps.

NEW! Larry's Quizzes: 3NT--How Many Points?

3NT ends all auctions? Not quite. 3NT is a descriptive bid, but the hand type it describes will vary based on the situation and partnership agreement. See if you know what 3NT means in various situations with this quiz.

Bidding With Larry! Hand #1137
