### eLesson #1 (of 3)

#### Larry's Quizzes: Endplays

One key to bridge is keeping in mind that it's always easiest to play fourth to a trick. That means that as declarer, it's actually an advantage to allow your opponents to lead certain suits. When you force an opponent to lead the suit you want them to lead, it is called an "endplay." See if you can spot some endplays in this challenging quiz.
