

Welcome to the Club

Hello. All of the free videos below were made for groups interested in learning bridge. Larry covers the topic listed, information on how to use his website www.larryco.com (lots of free articles, interactive quizzes, free bidding hands, etc.) and always a bit of information on being a good and ethical partner and bridge player.

These videos are free for the club to share with their members on a large screen before a game or other gathering. All of the videos are approximately 20-30 minutes. Please contact dawn@larryco.com if you have any questions. Thank you.
