=====

**PLEASE LET US KNOW IF YOU BECOME A LIFE MASTER DURING THIS CRUISE**

=====

**Tonight will be our 2<sup>nd</sup> clock change for this cruise. Please set your clocks BACK one hour before retiring.**

**Be Scent-sitive!**

Some people have an extreme sensitivity to fragrances (colognes or perfumes). Many ACBL clubs, units and districts have adopted policies that prohibit players from wearing fragrances. The ACBL has not issued an official policy on the matter, preferring instead to appeal to the goodwill of its members to refrain from using fragrances.

Because duplicate bridge requires players to be in close proximity to each other, individuals who suffer from fragrance-related reactions cannot avoid those who are wearing them. Among the commonly reported symptoms are intense headaches (indeed, fragrances can frequently be a trigger for migraine sufferers) or breathing-related problems. For these individuals, the issue is much more serious than simply disliking a particular smell — it's a real health problem.

The ACBL asks everyone to give this issue the consideration it deserves. Please,

if you're going to play in a club or a tournament, don't wear cologne, perfume or scented lotions.
