Pace of play

You don't have to be the speediest player if you use these steps to keep the game moving

- Always put down dummy before entering scores in your private scorer or the bridgemate
- Score in the bridgemate before your private score to allow your opponents to move for the next round
- If the round is called and you are still playing a board, make sure to pass your completed boards to the next table
- Save discussions for after the game or between rounds, always move for the next table if the round has been called

Share your success!

If you become a life master, please let us know! We'll celebrate with a photo and a special prize at the awards ceremony. If you have a friend too shy to tell us, you can inform us on their behalf. Please see Michael if you know of someone who becomes a life master on this cruise.

New Life Master

Congratulations John Wertman. By winning the gold rush pairs on Monday, John became a life master.
