

Bridge Made Simple Webinars now have BBO online games! Every Thursday immediately following Larry's Webinar. Below is a lot of information and how you find the games. We are looking forward to seeing you there.

In order to play in any of these games you must indicate your interest at least 2 days in advance (if you have not already done so) by providing your name and BBO screen name to us - [click here for that online form](#). This will allow us to include you on the list of eligible players. It is NOT a commitment to play. **This is one-time only, not every week.**

Once your BBO screen name is on file with us you can register for the post-webinar game by following the instructions below. You can register for games up to 2hrs before said game but not less than 10 minutes before said game. **Here's how to find our games:**

- Log into your BBO account

Make sure you have BBO\$ in your account. You can buy them using a computer or tablet and they are dollar for dollar. We do **not** recommend using the BBO app (added fees will apply)

****[Click Here](#) to purchase BB\$.

- In "Featured Areas" click on "Virtual Clubs"
